	Necessity to Resell Intrastate InterLATA)	CERTIFICATE
	Telecommunications Services in South)	
	Carolina.)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the request of Affinity Network, Inc. d/b/a QuantumLink Communications (“ANI” or the “Company”) for approval of a modification of the Company’s name by which it will be doing business in South Carolina. ANI proposes to adopt VoIP Communications as a “doing business as” (“d/b/a”) or trade name with regard to offering telecommunications services in South Carolina.

A review of the docket file reveals that ANI’s authority to operate as a reseller of telecommunications services in South Carolina was granted by Commission Order No. 91-514, dated June 17, 1991, to Affinity Network, Inc. Thereafter, by Order No. 2000-0213, dated March 3, 2000, the Commission approved a modification to the Company’s name to conduct business in South Carolina under the trade name or d/b/a name of QuantumLink Communications. Additionally, Order No. 2001-981, dated October 4,

2001, further corroborated the Commission's approval of ANI's use of QuantumLink Communications as a trade name.

Pursuant to the instructions of the Commission, ANI published a Notice of Filing in newspapers of general circulation in the Company's service area. The purpose of the Notice was to provide notification of the present proceeding to any interested parties and to advise interested parties of the manner and time in which to file pleadings to participate in the docket. No protests or Petitions to Intervene were filed in this matter.

By letter from the Company's Director of Regulatory Affairs, dated October 20, 2004, ANI advises the Commission of the modification of the Company's name by the addition of the d/b/a name of VoIP Communications. According to ANI, this name may be offered domestically in the near future. ANI adds that the addition of VoIP Communications as a trade name will not effect existing ANI customers since they will continue to receive service and invoicing from ANI with no modifications. ANI filed the Company's revised tariff pages to its South Carolina Tariff No. 2 (Fifty-Eighth Revised Page 2) reflecting the addition of the d/b/a name.

At its regularly scheduled meeting on December 15, 2004, the Commission reviewed the case before it, and after due consideration, the Commission concluded that the request of ANI for approval of an addition of a trade name to the Company's name should be granted.

The Commission's records will hereby be amended to reflect ANI's adoption of the trade name of VoIP Communications.

IT IS THEREFORE ORDERED THAT:

1. Affinity Network, Inc.'s d/b/a QuantumLink Communications request for approval of the addition of "doing business as" ("d/b/a") or trade name to the Company's name is approved, and Affinity Network, Inc. d/b/a QuantumLink Communications is hereby authorized to utilize "VoIP Communications" as a trade name for its telecommunications services in South Carolina.

2. This Order shall remain in full force and effect until further Order of the Commission.
